Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission:

Cancer Legal Line's mission is to provide free legal care to Minnesotans affected by cancer who otherwise have no access to an attorney's help for the legal issues that directly impact their health and quality of life. The description of how our activities further this mission is recounted at Part I, line 1.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code: _____) (Expenses \$ 136,044 including grants of \$ 128,809) (Revenue \$ 250)

2015 was Cancer Legal Line's (CALL) biggest year in terms of clients served, program expansion, and organizational growth. Our Legal Care Program (LCP), our largest combined program, provided free legal services to a total of 416 Minnesotans who needed legal care to be well. Legal care provided in this program includes issues in the areas of employment law, Social Security Disability Insurance, and estate planning/guardianship. Each and every client who contacts CALL meets with one of our three staff attorneys--either in person or over the phone. For 82% of our clients, this consultation provides all of the legal care needed to address and answer the client's questions and concerns. The other 18% of our clients need additional legal care, most often in the area of estate planning or guardianship planning for the care of their minor children. At this point, depending on the type of cancer, geographic location, and legal need of the client, a CALL staff attorney will provide further legal care in house or coordinate a placement with one of our approximately 50 volunteer attorneys throughout the state. Our volunteer attorneys provide significant enhancements to the legal care CALL is able to provide to our clients every year given our modest staff size and operating budget. Activities within the Legal Care Program encompasses two important subprograms, the Breast Cancer Legal Program (BCLP) and
(Continued on Schedule O, Statement 2)

4b (Code: _____) (Expenses \$ 56,629 including grants of \$ 0) (Revenue \$ 27,350)

In May 2014, CALL and University of Minnesota Health began the first oncology based Medical Legal Partnership in Minnesota with the Blood and Marrow Transplant Unit (BMT) Legal Clinic. CALL attorneys provide free legal care to blood and related cancer patients as part of their pre-transplant work up via the onsite BMT Legal Clinic. In 2015, 25 BMT patients received legal care onsite as part of the BMT Legal Clinic. By integrating legal care onsite into the healthcare a cancer patient receives, our goal is to provide the legal help they need more proactively and with greater ease of access. A study of the impact of legal care on patient perceived stress and well-being is being conducted as part of our Medical Legal Partnership.

Form 990, Part VI, Section B, Line 11b - CALL's CEO/ED and its Executive Committee review the draft 990. Any questions are addressed and, any necessary revisions are made. The full board of directors is then supplied with an electronic copy of the final 990 prior to filing. The board is encouraged to review the 990 and ask any questions that they have. The board discusses the filed 990 at the next board meeting and approves the filing with the State of Minnesota.

Form 990, Part VI, Section B, Line 12c - CALL's board members and officers are all subject to a conflict of interest policy that requires decision making on any transaction that would affect any of those individual's "material financial interest(s)" or would significantly affect their personal interest(s) ("appearance conflicts") to be affected on action of the entire Board, after the Board has been given prior notice of the individual(s) and the conflict(s), and with only Directors who are independent of the party with the actual or perceived conflict participating. The question as to whether an individual has a conflict falling within the policy is decided by the Board, not including in its deliberations or vote the party(ies) whose potential conflict is at issue. All potential, perceived, or actual conflicts are reviewed on an annual basis, and every year at our first board meeting of the year in January, each board member completes and signs our conflicts disclosure form.

Form 990, Part VI, Section B, Line 15 - The CEO/ED's salary is set each year by the Executive Committee, comprised of our board chair, secretary, and treasurer. The Executive Committee reviews the most recent "Minnesota Nonprofit Salary and Benefit Survey" prepared by the Minnesota Council of Nonprofits in setting the Executive Director's salary. All of these board members/officers are independent. The publication provides helpful listings of comparable salaries, benefits, and other compensation measures for similar positions, relative to education and experience across a wide range of nonprofits organizations. Compensation is also based on the CEO/ED's job performance over the past year. The Executive Committee meets with the CEO/ED to review and assess progress made during the year in meeting goals set forth as part of the CEO/ED's written job requirement and performance obligations.

Activity Or Mission Description

Description

attorney's help for the legal issues that directly impact their health and quality of life. Since October 2007, CALL's programs have provided over \$2.4 million in free legal care to over 6,200 Minnesotans affected by cancer. A cancer diagnosis is not only medical -it also threatens financial security and family stability. The provision of legal care is often the determining factor in ensuring that the practical challenges of cancer, namely maintaining employment, insurance, housing, and finances, don't become the derailing factor in the life of a cancer patient and their family.

Description

the DDS OnCALL Program. Of the 416 Minnesotans served by the legal care program, 111 of them were provided services as part of the BCLP and 41 of them were provided services as part of the DDS OnCALL Program. The BCLP provides targeted legal care to CALL's biggest group of clients by diagnosis: women with breast cancer. Additional BCLP activities include group presentations on cancer related legal topics. In 2015, the BCLP conducted a total of 5 presentations attended by 104 cancer patients, survivors, their loved ones, health care providers, and community members. The DDS OnCALL Program activities focus on providing legal care to the growing number of Minnesotans affected by oral, head, and neck cancers. Additionally as part of the DDS OnCALL Program, CALL attorneys conducted 10 group presentations attended by 183 cancer patients, survivors, their loved ones, health care providers, and community members. The LCP is designed to effectively and efficiently help our clients maintain financial security and family stability. The following is a breakdown of the legal needs our clients had and the areas of legal care provided: 68 --Insurance Coverage (health insurance, short/long term disability) 65 --Housing and Financial (eviction, foreclosure, creditor issues, bankruptcy) 42 --Employment (ADA/MHRA discrimination/reasonable accommodation, FMLA) 110 --Legal Planning (health care directives, guardianship, wills, Powers of Attorney) 95 --Public Benefits (Social Security Disability, Medicaid) 36 --Other (immigration, tax, family) Legal Planning has always been one of the top area of needs for our clients, but in 2015 it reached a new high, comprising 26% of the legal care our clients needed. In response, we added an additional part-time attorney to our staff in late 2015 to help us meet this increasing need, and also added to our base of attorney volunteers in the greater Twin Cities Metro, as well as in Greater Minnesota. The majority of our clients become impoverished because of their cancer due to lengthy periods of unpaid time away from work and high insurance premiums, deductibles and out of pocket costs, they do not have the financial ability to pay for an attorney's assistance in creating the various legal documents they need to ensure the wishes for their care and that of their family are carried out. While the numbers speak to the prevalence of cancer related legal issues, it is by looking at each individual client's life that the real measure of legal care's impact on financial security and family stability is demonstrated. Below are the stories of two of the clients we served in 2015: ~A woman living with Stage IV throat cancer was down to \$7 in her checking account when she contacted CALL. She learned that her disability carrier deemed that she was no longer disabled and would not receiving her monthly payment of \$1959. This payment was her sole source of income and upon which she relied to make the monthly mortgage payment on her town home, pay her medical insurance premiums, and her all of her medication, transportation, and food expenses. Within days of contacting CALL, a volunteer attorney went to her home (she did not have money to pay for the gas to get to the attorney's office), appealed the denial, and ultimately got the insurance carrier to reverse their decision and re-instate the back payments owed. Our client now has the money and security she needs to cover all of her living expenses. She told us "I threw up for three days because of this stress before I called you. Thank you, thank you, thank you so much." ~A single mom with Stage IV breast cancer and her 13 year old son were dealing with the many changes in their lives as a result of her cancer when she reached out to CALL for help. One of the most pressing issues on her mind was making sure that her son would taken care of by the people of her choosing should she pass away. Because she had been unable to work, she did not have the financial resources to hire an attorney to explain all of the issues about guardianship and probate to her, or to draft the many documents she will need to provide for her end of life care and for her son's care in the future. A CALL staff attorney met with her several times, answering questions and calming her fears, and ultimately completing all of the documents she and her son needed for their future.
