#### First Program Service Accomplishments Description

#### Description

70+ volunteer attorneys throughout the state. Our volunteer attorneys provide significant enhancements to the legal care CALL is able to provide to our clients every year given our modest staff size and operating budget. In 2016, the number of overall volunteer attorneys increased by 31% to from 55 attorneys in 2015 to 72 attorneys volunteering in 2016. The LCP is designed to effectively and efficiently help our clients maintain financial security and family stability. The following is a breakdown of the legal needs our clients had and the areas of legal care provided: 72 --Insurance Coverage (health insurance, short/long term disability) 84 --Housing and Financial (eviction, foreclosure, creditor issues, bankruptcy) 58 --Employment (ADA/MHRA discrimination/reasonable accommodation, FMLA) 144 -- Legal Planning (health care directives, guardianship, wills, Powers of Attorney) 111 -- Public Benefits (Social Security Disability, Medicaid) 59 --Other (immigration, tax, family). Activities within the Legal Care Program encompasses two important subprograms, the Breast Cancer Legal Program (BCLP) and the DDS OnCALL Program. Of the 432 Minnesotans served by the LCP, 103 of them were provided services as part of the BCLP and 46 of them were provided services as part of the DDS OnCALL Program. The BCLP provides targeted legal care to CALL's biggest group of clients by diagnosis: women with breast cancer. The DDS OnCALL Program activities focus on providing legal care to the growing number of Minnesotans affected by oral, head, and neck cancers. Additional, LCP activities include group presentations on cancer related legal topics. In 2016, CALL conducted 11 presentations attended by 213 cancer patients, survivors, their loved ones, health care providers, and community members. The majority of our clients become impoverished because of their cancer due to lengthy periods of unpaid time away from work and high insurance premiums, deductibles and out of pocket costs, they do not have the financial ability to pay for an attorney's assistance in creating the various legal documents they need to ensure the wishes for their care and that of their family are carried out. While the numbers speak to the prevalence of cancer related legal issues, it is by looking at each individual client's life, such as Martha's story below, that the real measure of legal care's impact on financial security and family stability is demonstrated. "Martha" a woman with breast cancer contacted us when she learned that her health insurance had been cancelled with no prior notice. She went to the clinic for a scheduled scan and was told upon presenting her insurance card that her insurance was no longer in effect. She had been scheduled to start a course of medication for her advanced breast cancer that cost \$10,600 per month. We contacted MNSure on her behalf to try and determine why her insurance had been cancelled with no notice, but getting nowhere, enlisted the help of a CALL volunteer who is a retired health insurance executive. He helped connect us to someone at the insurance company who coordinated information a CALL volunteer attorney needed to prepare an appeal of the MNSure denial, and also worked with the Ombudsman at the Department of Health and Human Services who fast-tracked the issue and was able to retroactively qualify Martha for Medical Assistance as of June 1. Three weeks later, Martha's prescription was delivered to her door right in time to stay on her treatment protocol as her care team had planned. Things should not be this complicated, but so often they are. At the end of this saga, Martha told us, "thank you for never giving up!"
