40	On July 1, 2017, with funding from the State of Minnesota's Legal Service Advisory Council, Cancer Legal Care began the Foreclosure Prevention Program (FPP) with the goal of providing legal care to the community of Minnesotans who are at or below 200% of the Federal Poverty Guidelines (FPG), affected (in treatment or finished with treatment, or their spouse) by any type of
	cancer (no limitation based on diagnosis of a specific type of cancer), and are in jeopardy of foreclosure with the mounting medica debt and financial hardships they face. By securing employment, insurance coverage, and disability income, our clients will have an income stream that can be used to support all of the regular expenses of life, primarily their housing expenses, that continue even in the face of cancer. By providing legal counsel and advice as to the legal processes involves and protections that apply, our clients are able to make informed decisions and go forward with a realistic road map of what they can expect. By collaborating with other cancer care organizations, we are able to connect our clients to other income replacement supports (primarily for food and non-medical expense one-time grants) to help them through lean periods. During the first six months of the Foreclosure Prevention Program (July 1, 2017-December 31, 2017) served 22 clients. One recent client's story is especially illustrative of the

02-0736402 Form 990, Part III (Cont. 1) - but also to advance the key role legal care plays in whole patient cancer care. In 2017, Cancer Legal Care celebrated its 10th year of providing legal care services to the Minnesota cancer community. In our first ten years of service, Cancer Legal Care's various programs have provided over 8.4 million dollars in free legal care to over 7,100 Minnesotans affected by cancer. Over 2,700 Minnesotans received direct free legal care services and an additional 4,400 received additional outreach and education via 116 group presentations to Minnesota cancer patients, survivors, caregivers, attorneys, and health care providers. These Minnesotans had no other access to an attorney's help for the legal issues that threatened their health and well being. A cancer diagnosis is not only medical, it also threatens financial security and family stability. The provision of legal care is often the determining factor in ensuring that the practical challenges of cancer, namely maintaining employment, insurance, housing, and finances, don't become the derailing factor in the life of a cancer patient and their family. Cancer Legal Care exists for three reasons. 1. The prevalence of cancer. Like the rest of the nation, 1 in 3 Minnesota women, and 1 in 2 Minnesota men, will be diagnosed with a potentially serious cancer at some point in their life. Every year, approximately 25,080 new cases are diagnosed and 9,200 people die from cancer in Minnesota. In 2016, an estimated 276,770 Minnesotans were cancer survivors. Cancer affects people at every stage of life, across all income levels. 2. The financial devastation that cancer brings. Nationally, 30 to50 percent of all cancer patients fall below the poverty line during their treatment. Studies show that during the first year after diagnosis, the probability of a cancer patient being employed drops by 10 percent, and 3 in 10 working women diagnosed with breast cancer will not be employed four years later. Cancer survivors are two and half times more likely to file for bankruptcy than people without cancer and those cancer survivors who do file are 80 percent more likely to die than cancer patients who don't file for bankruptcy protection. A 2007 study found that 62 percent of the personal bankruptcies filed were due in part to a significant piece of medical debt, a 49 percent increase in bankruptcies attributable to medical debt since 2001. Of these 2007 bankruptcy filers, 78 percent had health insurance. Over 14 percent of Minnesotans are covered by high deductible insurance plans, nearly twice the national average. A diagnosis that comes near the end of one calendar year necessitates meeting a 13,000 dollar deductible twice in a short period of time, surpassing the financial ability of many families. 3. The lack of any other resource for this critically needed legal care. The substantive legal issues cancer patients face surrounding employment law, health insurance and private long term disability benefit coverage denials, and estate planning are not typically within the array of services provided by traditional legal aid. Given the financial freefall in which so many cancer survivors find themselves, they are wholly unable to afford a private attorney. Thus, cancer survivors find themselves in the gap between the help traditional legal aid provides and the affordability of the private bar. At Cancer Legal Care, we see this stark reality in our clients' lives each day. Behind each one of these statistics is an individual or a family in crisis. The average age of Cancer Legal Care's clients was 54 years which is in the prime of their working, and often, family raising years. The combined effect of these two factors results in amplified consequences if a cancer survivor's specific legal needs remain unmet. Mounting medical bills coupled with job loss or unpaid leave, all too often lead to financial devastation for the entire family. Many middle class Minnesotans face abject poverty for the first time in their lives following their cancer diagnosis and experience additional complications for their survivorship stemming from their poverty. These are health problems that have legal, not medical, solutions. Cancer Legal Care helps our clients maintain financial security and family

stability by providing legal care, so that employment, insurance, housing, and finances, don't become the derailing factor in the life of a cancer patient and their family.

Form 990, Part VI, Section B, Line 11b - CLC's CEO/ED and its Executive Committee review the draft 990. Any questions are addressed and any necessary revisions are made. The full board of directors is then supplied with an electronic copy of the final 990 prior to filing. The board is encouraged to review the 990 and ask any questions that they have. The board discusses the filed 990 at the next board meeting and approves the filing with the State of Minnesota.

Form 990, Part VI, Section B, Line 12c - CLC's board members and officers are all subject to a conflict of interest policy that requires decision making on any transaction that would affect any of those individual's "material financial interest(s)" or would significantly affect their personal interest(s) ("appearance conflicts") to be affected on action of the entire Board, after the Board has been given prior notice of the individual(s) and the conflict(s), and with only Directors who are independent of the party with the actual or perceived conflict participating. The question as to whether an individual has a conflict falling within the policy is decided by the Board, not including in its deliberations or vote the party(ies) whose conflict is at issue. All potential, perceived, or actual conflicts are reviewed on an annual basis, and every year at our first board meeting of the year in January, each board member completes and signs our conflicts disclosure.

Form 990, Part VI, Section B, Line 15 - The CEO/ED's salary is set each year by the Executive Committee, comprised of our board chair, secretary and treasurer. The Executive Committee reviews the most recent "Minnesota Nonprofit Salary and Benefit Survey" prepared by For Paperwork Reduction Act Notice, see the Instructions for Form 990 or 990-EZ. Cat. provide further legal care in house or coordinate a placement with one of our approximately 70+ volunteer attorneys throughout the state. Our volunteer attorneys provide significant enhancements to the legal care CLC is able to provide to our clients every year given our modest staff size and operating budget. The LCP is designed to effectively and efficiently help our clients maintain financial security and family stability. The following is a breakdown of the legal needs our clients had and the areas of legal care provided: 16% - Insurance Coverage (health insurance, short/long term disability); 17% -Housing and Financial (eviction, foreclosure, creditor issues, bankruptcy); 11% - Employment (ADA/MHRA discrimination/reasonable accommodation, FMLA); 25% - Legal Planning (health care directives, guardianship, wills, Powers of Attorney); 19% - Public Benefits (Social Security Disability, Medicaid); 11% - Other (immigration, tax, family). Activities within the Legal Care Program encompasses two important subprograms, the Breast Cancer Legal Program (BCLP) and the DDS OnCALL Program. Of the 440 Minnesotans served by the legal care program, 119 (27%) of them were provided services as part of the BCLP and 50 (11%) of them were provided services as part of the DDS OnCALL Program. The BCLP provides targeted legal care to CALL's biggest group of clients by diagnosis: women with breast cancer. The DDS OnCALL Program activities focus on providing legal care to the growing number of Minnesotans affected by oral, head, and neck cancers. The majority of our clients become impoverished because of their cancer due to lengthy periods of unpaid time away from work and high insurance premiums, deductibles and out of pocket costs. They do not have the financial ability to pay for an attorney's assistance in creating the various legal documents they need to ensure the wishes for their care and that of their family are carried out. While the numbers speak to the prevalence of cancer related legal issues, it is by looking at each individual client's life, such as Brenda's words below, that the real measure of legal care's impact on financial security and family stability is demonstrated. "Learning that I had Stage IV cancer was probably the most stressful event of my life. Finding the will to keep living life knowing that one day this evil disease could take it away was too much to bear, and my mind did not have much room for any other stress. Not long after receiving my diagnosis, I begin receiving phone calls from a debt collector regarding a five-year-old "debt" from a home security contract that I had thought had been ruled as "not valid" by previous collectors. I tried my best to reason with them, sent out all the necessary paperwork multiple times and had numerous phone conversations, but they were relentless. I was mentally exhausted and felt victimized. I reached out to Cancer Legal Care not sure what to expect. After we got off the phone with them, I just sobbed with relief that it finally felt like someone was on my side. They took care of the matter swiftly and I have had no issues from creditors since. Living on one income with three children and medical bills piling up, hiring a lawyer would not have been an option for us. In addition to helping with the debt collector issue, Cancer Legal Care has been an invaluable resource and helping me understand and navigate the process of obtaining Social Security and now the process of the return to work program. I cannot express the relief that this organization has given me. Living with cancer is hard and complex, but knowing there is someone on my side just a phone call away takes some of the weight off my shoulders."

#### Second Program Service Accomplishments Description

#### Description

impact legal care has on helping to to preventing foreclosure and maintain financial security: "Diane", who is living with Stage IV throat cancer, contacted Cancer Legal Care shortly after being told that her long term disability benefits provider was denying further monthly payments of the cash benefit she had been receiving for the past two years. Diane's sole income of \$1959 was gone quite literally overnight. She has no salivary glands which dramatically effects her speech, is in constant pain, and is wholly unable to return to work. When Diane contacted Cancer Legal Care she said she had been sick for three days from the stress of this news. Volunteer attorneys immediately offered to help, and even drove to Diane's home to help her as with only \$7 left to her name, Diane did not have enough money for gas to drive to their office. Cancer Legal Care volunteer attorneys were able to get the wrongful denial of benefits righted. Now Diane has income to pay the modest mortgage payment on her townhome and other living expenses. The legal care provided prevented Diane from losing her townhome to foreclosure and becoming homeless, from losing her insurance and continuity of medical care, and helped to maintain her dignity in the face of all she has lost as a result of her cancer diagnosis.
